

We welcome you to join us and stand united as Soldiers of God fighting for the homeless and people in need throughout Chicagoland. Our grassroots mobile ministry is impacting our city on a weekly basis making ripples of change as we spread love right out on the streets as we go to the people in need directly.

With faith and love we expand His kingdom that we may be a light of hope for all.

We feed people in 3 ways; physically with food, drink and essential goods; mentally as we befriend our neighbor; and spiritually as we shine light sharing God's love that conquers all.

Get connected with our team of Managers who will work with you and your group/organization to meet all the basic needs of the people we call our neighbors and who we love unconditionally.
